**IN THIS YEAR OF MARY
Our Lady of Ransom**

By the special intervention of Mary, St. Peter Nolasco, St. Raymond of Pennafort, and King James of Aragon established an Order for the redemption of captives in the 13th century under the name of Our Lady of Mercy. Under Mary's special protection the Order grew rapidly. These laymen devoted themselves not only to collecting alms for the ransom of Christian captives, but even gave themselves up to voluntary slavery. It was to return thanks, to God and the Blessed Virgin that the Feast of Our Lady of Ransom was instituted. Ask our Lady of Mercy to ransom sinners from the captivity of Satan, and to free the souls in purgatory.

"H has given help to Israel, His servant, mindful of His mercy" (Luke 1, 54).

HE PRAYED THE ROSARY

Over a hundred years ago a university student found himself seated in a train by the side of a person who seemed to be well-to-do peasant. He was praying the rosary and moving the beads in his fingers.

"Sir, do you still believe in such outdated things?" asked the student of the old man."

"Yes, I do. Do you not?" asked the man.

The student burst out into a laughter and said, "I do not believe in such silly things. Take my advice. Throw the rosary out through this window, and learn what science has to say about it".

"Science? I do not understand this science? Perhaps you can explain it to me", the man said humbly with some tears in his eyes.'

The student saw that the man was deeply moved. So to avoid further hurting the feelings of the man, he said:

"Please give me your address and I will send you some literature to help you on the matter."

The man fumbled in the inside pocket of his coat and gave the boy his visiting card. On glancing at the card, the student, bowed his head in shame and became silent. On the card he read: "Louis Pasteur, Director of the Institute of Scientific Research, Paris."

INTERCESSION FOR VOCATIONS:

That there will be an abundance of laborers chosen by the Lord to serve as priests, deacons and in the consecrated life in this vineyard of the Diocese of Youngstown, **We pray to the Lord. Lord hear our prayer.**

Craig's Corner

A Note from our Director of Music

This weekend we begin a series of teachings and parables to us from Jesus about the kingdom of heaven. Our music, Psalms, and readings all speak of how we should focus first on Jesus and the kingdom as we go through our lives. We sing of being a priestly people, seeking the breath of God to come upon us, as we joyfully partake of our Sunday Eucharist to go forth to proclaim his kingdom on earth.

As I mentioned last week, during our festival this past summer, I was able to present our basilica's pipe organ to visitors and parishioners who took the basilica tours and so I wanted to write about it for the bulletin too. For the first part of my discussion of our organ, I want to offer some background on the history of the instruments in our basilica. It will come in two parts, this week being the first:

During the second pastorate of the parish, Monsignor Vito Franco, a fine Holkamp pipe organ was installed for the dedication of the church on November 4, 1916. The pipe organ was made possible by the famous Carnegie family of Pittsburgh. Due to the tragic fire in the church on June 12, 1923 it was badly damaged, but quickly restored for the rededication on December 16 of that year. During the pastorate of Fr. Henry Fabrizio, the pipe organ was in need of major repair. At the time, the parish was involved in the building of a new social hall and rectory. For financial reasons the Holkamp pipe organ was removed and replaced by an electronic instrument. The center arch of the choir loft was sealed to enshrine the church's crucifix which once hung at the present Sacred Heart Shrine. In 1973, Fr. Joseph Iati seized the opportunity to purchase from a church in West Virginia, a five rank pipe organ built in 1941 by the renowned MP Moeller Inc. of Hagerstown, MD. This was made possible through the generosity of brothers William and John Cafaro, The organ was expanded to eleven ranks by the David Dean Organ Company in New Castle, PA and installed in its new home.

This organ is not the organ in our basilica today. I will give more information about our current organ's history next week.

STEWARDSHIP THOUGHT:

“So the last will be first and the first last”
- Matthew 20:16

You've heard the saying "It's Not where you start, but how you finish." This certainly applies to this Bible passage. We have a responsibility not only for our own lives, but for the lives of others this Bible passage. We have a responsibility not only for our on lives, but for the lives of others as well. We are called to generously share our gifts with others not hoard them for our own use Our gratitude and generosity helps us live "God-centered" lives and not "self-centered" lives.
