**IN THIS YEAR OF MARY**

This feast was instituted to commemorate the victory of Christianity over the forces of Islam at the battle of Lepanto on October 7, 1571. The victory was brought about through the recitation of the Rosary. In thanksgiving for another victory over the same foes in Hungary in 1715, the feast was extended to the whole Church. In the course of centuries the Rosary has been a source of abundant blessings. In her apparitions at Lourdes, France, in 1856 and again at Fatima, Portugal, in 1917, Mary urged Catholics to pray the Rosary frequently and fervently in order to bring about the conversion of sinners and a lasting world peace. Resolve to say your Rosary every day! Besides being a beautiful tribute of love to your Heavenly Mother, it will be your support and joy in life and your consolation at the hour of death.

*“Who is she who came forth like the sun, and as lovely as Jerusalem? Around her, as in springtime, were roses and lilies of the valley” (Canticle).*

Let us devoutly celebrate the glorious feast of the Holy Rosary of the Virgin Mary, that she may intercede for us with Jesus Christ our Lord! Glory be to the Father...

Powerful Virgin, you are like the Tower of David! You are most beautiful and amiable, O Daughter of Sion; lovely as the moon, brilliant as the sun, awe-inspiring as an army set in array (Canticle 6,3). The Lord gave you His own power, for through you He completely overcame our enemies. Hail Mary...

Virgin Mary, most noble Queen of the world, plead for peace and salvation in our behalf, for you have brought forth Christ the Lord, the Savior of us all. Hail Mary...

Blessed Mother and spotless Virgin, glorious Queen of the world, may all who celebrate the solemnity of the most holy Rosary feel your help! Hail Mary...

Mary speaks:

*“I have budded forth as the rose planted by the brooks of waters” (Eccles, 39,17).*

**A Note from our Director of Music**

Continuing from last week's history of the organs of the basilica, I left off just before discussing the history of the organ we have today. In 1987, the Pittsburgh Organ Company in charge of the prior instrument assessed the need for massive repairs. Father Cariglio, with the help of parish council and the music director at the time, sought the advice of several distinguished organ companies and it was the Peebles-Herzog Company of Columbus who was awarded the contract for the restoration and expansion of our pipe organ. The bequest of the late John A. Cafaro of \$25,000 earmarked for the restoration of the organ, in addition to the finance committee and parish council making an appeal to the parish members and societies for \$70,000 for this project. By July 1989, the appeal exceeded the goal by \$6,500 for the total sum of \$101,500. On August 16, 1989, the organ was disassembled for rebuilding in the Columbus studio. Forty-two parishioners at the time were able to make the trip to Columbus to witness part of the rebuilding process in Columbus. The organ was installed beginning on October 23, 1989 and dedicated at Masses on the weekend of November 26, 1989 – the Feast of Christ the King.

The organ was used in full capacity until the mid-2000s when the organ sustained major damage to the electronics due to a lightning strike. This forced the reconstruction of the computer system which allows the keyboards of the instrument to "speak to" the pipes to create the sound, completed in 2006. With this, I will hold off until next week when I will discuss the mechanics of how a pipe organ produces sound.

**STEWARDSHIP THOUGHT:**

*"So the last will be first and the first last" - Matthew 20:16*

You've heard the saying "It's Not where you start, but how you finish." This certainly applies to this Bible passage. We have a responsibility not only for our own lives, but for the lives of others this Bible passage. We have a responsibility not only for our on lives, but for the lives of others as well. We are called to generously share our gifts with others not hoard them for our own use Our gratitude and generosity helps us live "God-centered" lives and not "self-centered" lives.
