## Small Words, Big Impact

On April 21, 2026, the church celebrated the anniversary of Pope Francis' death. Pope Francis loved three phrases: "Please", "Thank You" and "I'm Sorry".

Pope Francis knew that language is one of the most critical tools we have for communication. We use it every day to interact with each other, and the words we use can have a significant impact on how we are perceived. Our choice of words has the power to make or break relationships, and the words we use can keep communications open, respectful and positive, or close the door forever.

The word **please** helps to create and maintain positive relationships between people. It is a word of respect and consideration, showing that we are willing to be polite and not take someone for granted. When we use **please** in a sentence it changes the tone of the conversation from one of command to one of request.

Saying **please** reflects positively on our own character. When we use this word we are demonstrating that we are willing to help. It is a word of conveying gratitude and appreciation. It shows that we are thankful for the help given and that we recognize the time and effort given.

Did you know that the word **please** is used 495 times in scripture? How many times have we used this word today?

Saying **thank you** is more than just good manners. It is a way to express gratitude, appreciation and recognition for someone's efforts or kindness.

Saying **thank you** can strengthen relationships, boost morale and create a positive atmosphere. The words **thank you** can also improve our own well-being as gratitude is linked to happiness and life satisfaction.

In our fast-paced world, where misunderstandings can happen in the blink of an eye, the importance of an apology often goes unrecognized. Yet, those two small words, **I'm sorry**, have the potential to mend broken hearts, rebuild trust, and strengthen the very fabric of our relationships. A sincere apology is more than just a verbal acknowledgement of a mistake, it is an act of courage, humility and deep empathy.

Pope Francis reminded us that when sorry is lacking, small cracks become larger to the point of becoming deep trenches. It is not by chance that the prayer taught by Jesus summarizes all the essential questions for our life, "forgive us our trespasses as we forgive those who trespass against us".

These three key words are simple words, and perhaps at first make us smile, but perhaps we neglect them too much.

Diocese of Youngstown  
**ANNUAL DIOCESAN APPEAL**  
*Caring for one another through our Ministries*

Help us reach our parish goal of **\$85,000** by donating today

Jesus uses parables to convey God's love and mercy, to describe the Heavenly Kingdom, to teach us how we are to live lives of service and compassion. In today's Gospel, however, Jesus sets aside the parable format and states outright, "I am the way, the truth, and the life." He is the righteous path—the way—the one that leads us to everlasting life. He is wisdom—the truth; his words provide the light by which we live our lives. He is salvation—life; by his cross and resurrection he has wiped away our sins.

This bold proclamation is comforting, especially in uncertain times. Jesus reminds us not to let our hearts be troubled because our future is already secure in his love. And as his followers, we are called to walk his way, speak his truth, and bring his life into the world—especially to those who are searching for meaning and hope.

The **Annual Diocesan Appeal** helps our Church do just that—providing vital support to ministries that guide, teach, and care for others in Christ's name. Please consider a gift today to help others discover the Way, the Truth, and the Life.

To date, our parish has reached **43% of our goal**, raising \$36,600.00 for the Annual Diocesan Appeal.

If you have not yet made a pledge, please consider doing so by scanning the QR Code or visiting [DOY.org/Appeal](http://DOY.org/Appeal).
